Overview

A six night safari taking in some of the best experiences in this region of Botswana.

We spend 3 nights at the Machaba Camp on the Khwai River, which usually flows all year round.

Typically the Khwai divides the territories of local Lion prides so you can sometimes see posturing, bluff and even conflict between the big cats. They are attracted here because their prey come to feed in the beautifully fertile and lush Khwai River flood plains.

For the second half of our safari we move to Kwando's Lagoon Camp. The endangered African Wild Dog regularly den new the camp, affording you the rare opportunity to see these beautiful and rare predators.

We have chosen both of these camps because they permit night time games drives. This allows you to look for nocturnal species that will not see in some other camps.

Day 1: Tuesday, 31 July

Machaba Camp, Khwai Community Area

Khwai Community Area

The Khwai area of the Okavango lies along the northern boundary of the Moremi Game Reserve. This is an unfenced boundary allowing wildlife to move freely between the woodlands in the wet season when water is plentiful and back to permanent rivers and lagoons in the dry season. The Khwai area offers the same wildlife experience as the reserve with the added advantage of being a private concession which means the ability to do walking safaris and night drives.

Day Itinerary

Arrive in Maun then take your charter flight to Machaba Camp. We should arrive in plenty of time to enjoy an evening Game Drive.

Overnight: Machaba Camp [View iBrochure](#)

Situated in the game rich Khwai area on the eastern tongue of the Okavango Delta, lies the sophisticated Machaba Camp. The setting is exquisite and guests will fall in love with the understated elegant colonial architecture of Machaba. Wake up to the sounds of hippo wallowing in the Delta and enjoy outdoor dining on the banks of the Khwai.

Ten luxury tents with en-suite bathrooms and outdoor showers are located between tall riverine trees. Each of the tents have views of the Delta and the Moremi Game Reserve. From these tented verandas one can watch the daily parade of animals coming down to drink at the river in front of camp. Machaba, despite its obvious luxury is still an affordable camp.

Kwando Lagoon Camp, Linyanti Concessions

Linyanti Concessions

The Kwando-Linyanti river system is home to a series of private game reserves, known for their exotic animal species and luxury safari options. An abundance of wildlife roams freely between the woodland habitats, ancient floodplains and forests that make up these lush, unfenced reserves. The big game in this area increases dramatically during the dry season when the area hosts large herds of impala, blue wildebeest, giraffe and buffalo as well as the world's highest density of elephant. Several packs of wild dog are found in the area and lion, leopard and cheetah are frequently sighted. Night drives allow for the discovery of nocturnal creatures such as civets, genets, honey badgers and spring hares. This vast, untamed wilderness is the perfect location for those seeking a unique African adventure in an exclusive and remote big game habitat.

Day Itinerary

After an early morning game drive we move to Lagoon Camp to enjoy a slightly different ecosystem.

Overnight: Kwando Lagoon Camp [View iBrochure](#)

Lagoon Camp lies on the shady banks of the Kwando River. Lagoon Camp can accommodate up to 18 guests in 8 luxury tents, one of which is a family unit. Lagoon is renowned for wild dog sightings and also the massive herds of elephant and buffalo which roam the area in the winter months. Each room has a deck with comfortable loungers, offering spectacular views over the lagoon. The thatched main area was designed to fit perfectly into the natural landscape and allow views of the river and wetlands from all areas. Just past the bar/lounge area is the plunge pool and it is a short meander to the deck where a comfortable swing chair awaits. Activities offered here are game drives, day and night, guided walks and boat cruises.
